THE QUEST FOR A MASTERPIECE  
**waldorfaire**  
2012

SATURDAY, MARCH 10 FROM 10 AM TO 4 PM  
HONOLULU WALDORF SCHOOL • 350 ULUA STREET IN NIU VALLEY

Hear ye hear ye! Fine citizens of Kindervale. This year marks the 50th anniversary of the reign of our beloved King and Queen. To celebrate this monumental occasion, her highness, the queen, requests that a new work of art be donated to the royal gallery. It is her wish that this masterpiece be made by one of her own loyal subjects of Kindervale. Therefore: hearken all ye painters, crafters, sculptors, potters: Prepare a piece of work to be shown on the day of the faire. If your creation be chosen by our Queen, your name will be honored and you shall be blessed with fame and prosperity.
